

Salesforce Developer (m/f)

immediate start | full time | in Stuttgart

WHO WE ARE:

We are internetstores – the leading specialist for bike and outdoor products in Europe. Founded in 2003, we are today among the biggest and most profitable e-commerce companies, with more than 40 online shops, more than 2 million page views per day and an unparalleled product selection. We are fahrrad.de, Bikester, Brügelmann, CAMPZ and Addnature and we have only one goal: offering our clients from 16 different countries every day quality products and latest trends for the best prices as well as an excellent shopping experience!

You want to be part of this success story and work behind the scenes of an international online retailer to promote our growth? Apply online - more than 550 colleagues in Stuttgart, Esslingen, Berlin, Lyon and Stockholm look forward to meeting you!

WHAT IT IS ABOUT:

As Salesforce Developer (m/f) you are responsible for the integration of salesforce as CRM (Focus: Service Cloud) solution for all our bike and outdoor shops. You are in constant exchange with relevant stakeholders and support and develop of our sales and service platform.

WHO WE ARE LOOKING FOR:

- You design and implement solutions based on the salesforce.com platform
- You are responsible for the development of our Lightning components and business apps based on Salesforce development platform (Focus: Service Cloud)
- You consult internal stakeholders to achieve the best technical solutions together with business and IT responsables
- You maintain interfaces to our shops and ERP system
- You ensure the quality of salesforce data and its connection to our legacy systems
- You increase automation in deployment and testing processes

WHAT YOU NEED:

- You have strong experience in building and developing salesforce.com solutions
- You ideally finished your studies in Computer Science or similar education
- You have advanced knowledge in technologies like Lightning App Builder, Apex, Visual Force, APIs, and Web Service Technologies (SOAP)
- You are experienced in SOQL Query Language, JavaScript, HTML, XML, CSS SOAP, REST, JSON
- You love to work with your business colleagues on future customer processes and contribute also with your own ideas
- You have very good English and ideally good German skills to work within our international team

WHAT TO EXPECT:

An exciting job in a fast growing company in the heart of Stuttgart. We offer you a job with responsibility and creative leeway, employee discounts on our full product range, bike leasing, corporate benefits and amazing, international colleagues in all departments.
